

CAL POLY FRUIT DRIVE

Does your yard have surplus fruit in trees or gardens?

Instead of letting this fruit go to waste, help feed local hungry families! Bring your produce to the Center for Service in Action. As long as the fruit is unspoiled, it doesn't have to be "perfect." Your donation helps GleanSLO and the Food Bank Coalition of San Luis Obispo reduce food waste and improve nutritional offerings to our neighbors in need.

When: April 12th-14th at 9:00 AM-5:00 PM.

Where: Center for Service in Action, Building 52, Room E22.

Unable to drop drop off fruit on those dates? Email Student Community Services at scs@calpoly.edu and we'll pick it up for you!
